First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via Falmouth, will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third. Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s. Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 21ST MARCH, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 21st March 1842.

ACT No. — of 1842.

An Act concerning the acquirement and extinction of rights by prescription in the territories subject to the Government of the East India Company, without the local jurisdiction of Her Majesty's Courts, at Calcutta, Madras, and Bombay, and in the Straits Settlements; and for the limitation of Suits in the Courts of the East India Company.

Prescription.—Section I. It is hereby enacted, that subject to the exceptions hereinafter mentioned, a title by prescription shall be acquired in respect of property, moveable and immoveable, and hereditary offices, by uninterrupted possession, mediate or immediate, as proprietor, for six years, in the case of moveable property, and for twelve years in the case of immoveable property and hereditary offices; provided that if any other title be proved, the possession shall have been adverse thereto—and provided that nothing herein contained shall be construed to affect any right arising from possession of moveable property now recognized by Law.

Section II. And it is hereby enacted, that in the case of any benefits, liberties, or privileges, derived out of, or affecting any immoveable property which shall have been enjoyed without interruption for twelve years, a right to the enjoyment thereof against the owner of the property shall be acquired by prescription, subject to the exceptions hereinafter mentioned, unless such benefits, liberties, or privileges shall have been enjoyed by some consent or agreement expressly given or made for that purpose by some Deed or writing.

Section III. And it is hereby enacted, that when a right to any such benefits, liberties, or privileges, as aforesaid, whether acquired by prescription or otherwise, shall have been disused for twelve years, the right shall be extinguished.

Section IV. And it is hereby enacted, that when a party shall have been forcibly dispossessed of immoveable property, or shall have been prevented from enjoying some benefit, liberty or privilege, derived out of, or affecting immoveable property, and shall have applied within the time limited by any law now in force, or within one month, to the

proper authority, for assistance to recover the possession or the use thereof, and shall have recovered the same—the period during which his possession or enjoyment was interrupted in such manner shall not be considered an interruption within the meaning of this Act.

Section V. And it is hereby enacted, that when the possession upon which a title by prescription is claimed shall have been acquired by the deprivation of another party who was previously in possession, or in opposition to a title which had accrued but upon which possession had not been taken, or having been taken had been previously interrupted, it shall be deemed adverse in respect of the party so deprived of possession, and of any one claiming in the same right, or in respect of the parties interested in the said title, as the case may be, from the time at which the possession actually commenced; and that when an adverse title shall have accrued after the possession was acquired, the possession shall be deemed adverse to the parties interested therein from the time at which such title accrued.

Section VI. And it is hereby enacted, that possession acquired by a bonâ fide purchaser for valuable consideration from a Trustee, or from a Depository or Mortgagee, shall be deemed adverse to the Mortgagor, or Depositor, or Beneficial Owner under the Trust, from the time of the acquisition by purchase.

Section VII. And it is hereby enacted, that a title by prescription shall be acquired by possession by or through a Depository or Mortgagee which shall have continued without interruption, for thirty years in the case of moveable property, and sixty years in the case of immoveable property, unless in the mean time an acknowledgment of the title of the Mortgagor or Depositor, or of his right of redemption, shall have been given to him or some person claiming his interest, in writing signed by the Mortgagee or Depository or the person claiming through him, in which case prescription shall not take effect until possession shall have been had without interruption for 30, or 60 years, as the property may be moveable or immoveable, from the date of such acknowledgment.

Section VIII. And it is hereby enacted, that in the case of a concealed fraud by which a party shall have been deprived of any property, the possession thereof shall not be deemed adverse to the party entitled until the time at which such fraud shall or with reasonable diligence might have been first known by him, except when it shall have

been acquired by a bonâ fide purchaser for a valuable consideration, or when a party shall have succeeded to it by inheritance or devise: in the former case adverse possession shall be deemed to have commenced from the time that the party entitled was deprived of the property by means of such fraud—in the latter from the time of the succession—provided it shall not appear that the party to whom the possession devolved assisted in the commission of the fraud, or at the time he entered into possession knew, or had reason to believe that the fraud had been committed.

Section IX. And it is hereby enacted, that when a party having a right to any Estate or interest in reversion or remainder shall have become entitled to the same in possession by reason of any forfeiture or breach of condition, but shall have waived his action to recover thereupon, possession shall not be deemed adverse to him or any party claiming in the same right until the determination of the previous right.

Section X. And it is hereby enacted, that suits other than for property and rights to which the above rules are applicable shall not be admitted in the Courts of Judicature of the East India Company except as hereinafter provided, unless they are instituted respectively within the period specified in the following Section.

Section XI. First. Within one year from the time the cause of action arose.

Suits for penal damages or pecuniary penalties, or forfeitures, for the breach of any law or regulation.

Suits for damage for injury to the person and personal property or to the reputation.

Suits for debt, on account of wages of servants, artisans, and labourers; for hire of animals and vehicles; for retail supplies of victuals and articles of daily consumption; for tavern bills and bills for board and lodging, and for lodging only; for the rent of building; and on any other account subject by established custom to settlement by the month, or a shorter period.

Suits to alter or set aside summary decisions or orders of the ordinary Courts of Judicature.

Suits to alter or set aside summary awards by Collectors and other Officers of Revenue, in disputes regarding arrears and exactions of rent.

Suits founded on the right of pre-emption in cases to be governed by a law or usage which recognizes such right.

Second. Within six years from the time the cause of action arose.

All suits for debts and damages, upon contracts, or for wrongs, other than are described in Clause first of this Section; and for the enforcement of contracts.

Third. Within twelve years from the time the cause of action arose.

Suits for the recovery of Legacies. *

Section XII. Provided, that suits against Trustees shall not be barred by any length of time.

Section XIII. And provided that whereby any law a shorter period is specially prescribed for the institution of a particular suit, the limitation so prescribed shall still be observed notwithstanding this Act.

Section XIV. 1st. And it is hereby enacted,—with respect to suits for the recovery of legacies

and for debts that if an acknowledgment shall have been made by the party liable within the period of limitation applicable to the case, either by writing signed by him, or by part payment or part satisfaction on account of principal, or interest due thereon, then a new period of limitation shall be reckoned, according to the nature of the case from the date of such acknowledgment, or payment or satisfaction.

2d. Provided that if there be two or more parties liable no one of them shall be chargeable by reason only of a written acknowledgment made or signed by any other.

Section XV. And it is hereby enacted, that in suits for balances upon accounts current between Merchants and Traders who have had mutual dealings, the period of limitation shall be computed from the close of the year in the accounts of which there is the last entry indicating the continuance of mutual dealings; reckoning the year as it is reckoned in the accounts.

Section XVI. And it is hereby enacted, that in suits for damages for wrong done by a concealed fraud the cause of action shall be deemed to have first arisen at the time at which such fraud shall or with reasonable diligence might have been first known by the party wronged.

Section XVII. And it is hereby enacted, that in computing the periods of prescription specified in Sections I. and II. the time shall be excluded during which some party entitled to interrupt the possession or enjoyment shall have been under the disability of infancy or unsoundness of mind, or shall have been absent out of the Territories of the East India Company, and the contiguous Territories, and the Island of Ceylon, provided that no longer time than 18 years shall be excluded on account of any such disability, and no longer time than 5 years on account of such absence, and provided that the absence shall have been continuous from the time the title accrued.

Section XVIII. And it is hereby enacted, that in computing the period of prescription specified in Section I. in the case of moveable property the time shall be excluded during which the party in possession shall have been absent out of the Territories of the East India Company.

Section XIX. And it is hereby enacted, that in computing the periods of prescription specified in Sections I. and II. the time shall be excluded during which any suit brought bonâ fide to interrupt the possession shall have been pending and shall have been diligently prosecuted in any Court of Judicature which from defect of jurisdiction or other cause shall have been unable to decide upon it, or shall have passed a decision which shall have been annulled on appeal for any such cause.

Section XX. And it is hereby enacted, that the provision of Section III. shall not have effect when the party entitled to use the benefits, liberties or privileges therein referred to, shall have been under any of the disabilities specified in Section XVII., except as subject to the provisions contained in that Section.

Section XXI. And it is hereby enacted, that in computing the periods of limitation specified in Section XI. the time shall be excluded during which the claimant or any person through whom he claims shall have been under the disability of infancy or unsoundness of mind; provided in respect of the suits described in Clauses 2 or 3 of the said Section that no longer time than 18 years shall be so excluded; and

in respect of the suits specified in Clause I. of the same Section, excepting suits for penal damages, that no longer time than 5 years shall be so excluded: provided further, that suits for penal damages shall never be admitted after the expiration of 1 year.

Section XXII. And it is hereby enacted, that in all suits described in Section XI. except suits for penal damages, when the claimant or the person through whom he claims shall have been absent out of the Territories of the East India Company, and the contiguous territories and the Island of Ceylon, at the time the cause of action arose, and shall have continued so absent, the time of such continued absence shall be excluded in computing the prescribed period of limitation, provided that no longer time than 5 years shall be so excluded.

Section XXIII. And it is hereby enacted, that in all suits described in Section XI. the time during which the defendant shall have been absent out of the Territories of the East India Company, shall be excluded in computing the prescribed period of limitation.

Section XXIV. And it is hereby enacted, that in computing the period of limitation applicable to any case the time shall be excluded, during which the claimant or the person through whom he claims shall have been engaged in prosecuting a suit upon the same cause of action against the same party or some party whom he represents, bona fide and with due diligence, in any Court of Judicature, which from defect of jurisdiction or other cause shall have been unable to decide upon it, or shall have passed a decision which on appeal shall have been annulled for any such cause.

Section XXV. And it is hereby enacted, that when by the provisions of this Act a person is barred from bringing a suit for the recovery of any legacy, debt, or damages, his right to the legacy, debt, or damages, for which a suit might have been brought by him, but for those provisions, shall be extinguished unless such right is secured by some mortgage, pledge or lien.

Section XXVI. And it is hereby enacted, that no complaint or information shall be proceeded upon by any Magistrate or Justice of the Peace against any person for any offence punishable by fine only, or by any Officer of Revenue against any person liable to any penalty or forfeiture, unless such complaint or information shall have been received within one year from the commission of the act charged, or within any shorter period that may be prescribed by any existing law for preferring such complaint or information.

Section XXVII. And it is hereby provided, that this Act shall not be construed to affect the provisions of Section X. Regulation XIX. 1793, extended to Cuttack by Section XXIV. Regulation XII. 1805, Section X. Regulation XLI. 1795, and Section VI. Regulation XXXI. 1803, extended to the Territories ceded by Dowlut Rao Scindiah and the Peishwah by Section XXI. Regulation VIII. 1805 of the Bengal Code.

Section XXVIII. And it is hereby provided, that this Act shall not extend to any public property or right, nor to any suits for the recovery of the public Revenue, or for any public claim whatever.

Section XXIX. And it is hereby enacted, that all suits that may be now pending or that may be instituted within the period of 6 months from the date of the passing of this Act shall be tried and determined as if this Act had not been passed.

Section XXX. And it is hereby enacted, that the provisions of this Act concerning the acquisition and extinction of rights shall not be of force in respect of any property situated or being within the local jurisdiction of Her Majesty's Supreme Courts at Calcutta, Madras and Bombay, and of the Recorder's Court in the Straits of Malacca, and that the Rules of limitation contained in this Act shall not be applied to any suits or actions in those Courts.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council after the 21st day of June next.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 21ST MARCH, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 21st March, 1842:

ACT No. — OF 1842.

An Act for extending the Statute Ch. XXI. 4th and 5th of Queen Victoria in certain cases to the Territories of the East India Company.

I. It is hereby enacted, that the Statute Ch. XXI. of the 4th and 5th years of the reign of Queen Victoria, entitled "An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same parties," shall be extended to the territories of the East India Company from the 1st day of July next; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed.

An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same Parties.

[18TH MAY, 1841.]

"Whereas it is expedient to lessen the expense of conveying Freehold Estates: Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, That every Deed or Instrument of Release of a Freehold Estate, or Deed or Instrument purporting or intended to be a Deed or Instrument of Release of a Freehold Estate, which shall be executed on or after the 15th day of May 1841, and shall be expressed to be made in pursuance of this Act, shall be as effectual for the purposes therein expressed, and shall take effect as a conveyance to uses or otherwise, and shall operate in all respects both at Law and Equity as if the releasing party or parties who shall have executed the same had also executed in due form a Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Release, although no such Deed or Instrument of Bargain and Sale or Lease for a year shall be executed, provided that every such Deed or Instrument so taking effect under this Act shall be chargeable with the same amount of Stamp Duty as any Bargain and Sale or Lease for a year would have been chargeable with (except progressive Duty) if executed to give effect to such Deed or Instrument, in addition to the Stamp Duties which such Deed or Instrument shall be chargeable with as a Release or otherwise under any Act or Acts relating to Stamp Duties.

II. "And whereas many Deeds or Instruments of Bargain and Sale or Leases for a year, to give effect to Deeds or Instruments of Release of Freehold Estates heretofore executed, have been lost or mislaid: be it enacted, That where, in or by any Deed or Instrument of Release of Freehold Estates executed before the 15th day of May 1841, any Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Deed or Instrument of Release shall be recited, or by any

mention thereof in such Deed or Instrument of Release appear to have been made or executed, such recital or mention thereof shall be deemed and taken to be conclusive Evidence of the Deed or Instrument of Bargain and Sale or Lease for a year so recited or mentioned having been made and executed; and such Deed or Instrument of Release shall also have the like effect as if the same had been executed after the 15th day of May 1841, whether such Deed or Instrument of Bargain and Sale or Lease for a year shall or shall not have been lost or mislaid, or may or may not be produced: Provided always, that this Act shall not prejudice or affect any proceedings at Law or in Equity pending at the time of the passing of this Act, in which the validity of any Bargain and Sale or Lease for a year shall be in question between the party claiming under such Bargain and Sale or Lease for a year and the party claiming adversely thereto, and such Bargain and Sale or Lease for a year if the result of such proceedings shall invalidate the same, shall not be rendered valid by this Act.

III. And be it enacted, that in the construction of this Act the word "Freehold" shall have not only its usual signification, but shall extend to all Lands and Hereditaments for the conveyance of which, if this Act had not been passed, a Bargain and Sale or Lease for a year, as well as a Release, would have been used.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 21st day of June next.

NOTIFICATION.

FORT WILLIAM, SECRET DEPARTMENT,

THE 4TH APRIL, 1842.

The following copy of a Despatch from Lieutenant Colonel Palmer, Commanding at Ghuznee, to the address of the Officer Commanding at Jelalabad, dated the 1st March 1842, is published for general information by order of the Governor General in Council.

Ghuzni, 1st March, 1842.

To Officer Commanding at Jellalabad.

SIR,—It is with much concern I acquaint you that from want of water and by an overpowering force under cover and within 50 yards of us in the City, I have been compelled to enter into terms to evacuate the Citadel and Fort, within six days. The Garrison is to occupy the N. E. corner of the Town. The Garrison is exhausted by fatigue and constant duty, and the men have suffered greatly from cold, the thermometer having been 14 below Zero. The terms are honorable treatment and safety whilst here and on the march to Cabool, solemnly sworn to by the Chiefs. In capitulating, I have only acted up to the orders of Major Pottinger and General Elphinstone, who directed me, in an official letter, to evacuate the Citadel and City on the arrival of Roohilla Khan, son of Ameenoolah Khan, Sirdar of Logur. This Chief arrived and promised to escort us in safety to Cabool. Amoon Shumsodeen Khan, nephew of Dost Mahomed Khan, has also arrived as Governor of Ghuzni, and, as Political Agent, I received instructions to march immediately on his arrival for Cabool, from the late Sir W. Macnaghten, Bart. Abandoned as this Garrison has been in the very centre of the enemy's country, cut off from all communication with any quarter, and without a sufficiency of water even at this season, with 200 men detached to hold an outpost which is destitute of water, and must have fallen in 48 hours,

nothing but capitulation remained. From the outpost falling into the hands of the enemy, they would command our only Well and Cong. Fort, the whole Garrison would have been destroyed in a few days. The bearer has received only subsistence on the road, and is to receive a handsome reward on delivering this letter. We have upwards of 100 sick and wounded and 137 casualties. The Officers, including Captain Burnett, 54th, and Lieutenant Crawford, S. S. Force, are all well.

P. S. There is great reason to fear for our safety as there are some thousands of Ghazis in the city, whom the Chiefs cannot disperse. The snow is still deep. No tidings from the Southward, but report says the Troops hold the City of Kandahar, and are daily fighting.

No. 569.

Jellalabad, 12th March, 1842.

TO CAPTAIN PONSONBY,

Assist. Adjutant General.

SIR,—Do me the favor to acquaint Major General Pollock, C. B., that since I last addressed you, the enemy have, in furtherance of their plan of establishing a vigorous blockade, daily insulted the place by throwing swarms of skirmishers into the ravines and hollows round the walls and behind the remains of mud Forts, which are so extensive, that no industry has enabled us wholly to clear them away. It has been their practice to plant their standards in conspicuous points of the circumference thus occupied, and to keep up a constant fire of Musquetry upon our Parapets. I have resisted these attempts, by the fire from Batteries, and the occasional aim from best marksmen. We have sustained few casualties, and those of the enemy have, I suspect, been uniformly serious. On the 10th instant, the

covert advance of the Affghans was particularly persevering against our Northern face; towards evening our spies brought us information that the enemy were driving a mine in this direction, and tho' I entertained great doubts of the correctness of this statement, I thought it prudent to ascertain the truth by a sortie; on the morning of the 11th I placed under the orders of Lt.-Col. Dennie, 300 men of the 13th, 300 of the 35th, and 200 of the Corps of Sappers; having at the same time directed Captain Oldfield to move on with the Cavalry into the plain to the Southward, and endeavour to fix the attention of the enemy in that direction. The Lieutenant Colonel sallied out by the Peshawur gate a little after day-break, and his column swept steadily round into the low ground, to the northward. Contrary to expectation this was found to be abandoned; but a strong picquet of the enemy's foot occupied a salient point on a rising ground, which commanded it; from this they were driven in a most spirited manner by Captain Broadfoot at the head of the detachment of Sappers and Miners, and he pursued the retreating enemy into and beyond a Tower and Garden wall, of which he took and kept possession. The 35th, under Captain Seaton, and Captain Wilkinson's Company of the 13th, were then established Skirmishers around the ruins of old Forts, whilst the remainder of the 13th were held in reserve. The Cavalry appeared at the same moment and supported the left flank of our line of occupation: an examination of the ground proved that neither shaft nor gallery had been commenced, and I

therefore directed the Troops to withdraw. The whole camp of Mahomed Akbar was, by this time, in full alert, and heavy masses of Cavalry and a cloud of Foot were pressing forward towards our Skirmishers. Our detachment, however, retired in the most perfect order, and their fire, and that of our guns and mortars from the walls, kept the Affghans in check in the most satisfactory manner—on our extreme right, their horse made an attempt to ride in upon Captain Broadfoot's party, but a volley from the Sappers and Miners

brought them to a halt in evident discomfiture. Our loss in wounded was very trifling.

MEMORANDUM.

Various abuses having taken place in making Remittances from India to this Country through the East India Company's Treasury, particularly in the cases of Soldiers who have realized large sums by other means than by Savings from their Pay, and a recent case having occurred in which a Sergeant whose wife had acquired a considerable sum in trade, remitted nearly £ (500) Five hundred by buying up Drafts from Soldiers for the sums sent home by them as deposits for their future benefit, Commanding Officers and Pay Masters are accordingly enjoined to pay the strictest attention in future to the instructions in Lord Palmerston's Circular Letter, No. 586, dated the 23d January 1827, defining the objects and limits of such Remittances, as for the due observance of those Instructions they will be held responsible.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via "Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of post-

age; but if transmitted by the way of Marseilles, they are charged 2d. each.

NOTIFICATION.

SECRET DEPARTMENT,

BENARES,

THE 21ST APRIL, 1842.

The Governor General feels assured that every subject of the British Government will peruse with the deepest interest and satisfaction, the report he now communicates of the entire defeat of the Afghan Troops, under Mahomed Akbar Khan, by the Garrison of Jellalabad.

That illustrious Garrison, which, by its constancy in enduring privation, and by its valour in action, has already obtained for itself the sympathy and respect of every true Soldier, has now, rallying forth from its walls, under the command of its gallant leader, Major General Sir Robert Sale, thoroughly beaten in open field an enemy of more than three times its numbers, taken the Standards of their boasted Cavalry, destroyed their Camp, and re-captured four Guns, which, under circumstances which can never again occur, had during the last winter fallen into their hands.

The Governor General cordially congratulates the army upon the return of victory to its ranks. He is convinced that there, as in all former times, it will be found, while, as at Jellalabad the European and Native Troops mutually supporting each other, and evincing equal discipline and valour, are led into action by Officers in whom they justly confide.

The Governor General directs that the substance of this Notification and of Major General Sir Robert Sale's report be carefully made known to all the Troops, and that a salute of 21 guns be fired at every principal Station of the Army.

By order of the Right Hon'ble the Governor General of India,

T. H. MADDOCK,

Secy. to the Govt. of India.

COPY.

Jullalabad, April 7th, 1842.

SIR,

Information was on the evening of the 5th instant brought into this place, in the most positive and circumstantial terms from spies in the enemy's Camp, to the effect that the Force under Major General Pollock, C. B., had met with reverse in the Khyber, and retraced its steps towards Peshawur, and about 10 P. M. on the 6th a feu-de-joie and salute of artillery was fired by Mahomud Akbar, which was said to be in honor of the same event. It was on the same day and through similar channels announced to me that the Afghans were sending reinforcements to aid in defending the Frontier Passes. Although I could not wholly depend upon these statements, which were improbable in themselves, and accompanied by

counter reports of another revolution at Cabool, which was assigned by some as the cause of the rejoicing of the defeat of the Afghans in Khyber, and by an account of the intended and even actual retreat of the Sirdar to-day; however I came, on a full consideration of the various circumstances and rumours, to the resolution of anticipating the last mentioned event by a general attack on the Afghan Camp, in the hopes of relieving this place from blockade, and facilitating General Pollock's advance. I accordingly gave directions to form three columns of Infantry. The centre consisting of H. M.'s 13th Light Infantry, 500 Rank and File under Colonel Dennis, C. B. The left of the 35th N. I., 510 Rank and File under Lieutenant Colonel Monteith, C. B. The right of a Company of the 13th Light Infantry, another of the 35th N. I. and the detachment of Sappers under Lieutenant Orr, (the severity of Captain Broadfoot's wound still rendering him non-effective) the whole 360 strong, commanded by Captain Havelock, 13th Light Infantry. These were to be supported by the fire of the guns of No. 6, Light Field Battery, under Captain Abbott, to which Captain Backhouse, Shah Shoojah's Artillery, was also attached, and by the whole of my small Cavalry force under Captain Oldfield and Lieutenant Mayne. The troops issued from the Cabul and Peshawar Gates at daylight this morning. So far from the Sirdar having made any dispositions to avoid the encounter, his whole force (not falling short in all of 6000 men) was formed in order of battle for the defence of his Camp, its right resting on a Fort, and its left on the Cabul river, and even the ruined walls within 800 yards of the place, recently repaired, were filled with Ghilzie marksmen, evidently prepared for a stout resistance. The attack was led by the Skirmishers in column, under Captain Havelock, which drove the enemy in the most satisfactory manner from the extreme left of his advanced line of walls, which it pierced at once, and proceeded to advance into the plain, whilst the central column directed its efforts against a square post, the defence of which was obstinately maintained.

With the deepest regret I have to mention that, whilst nobly leading his Regiment to the assault, Colonel Dennis, C. B., of the 13th Light Infantry, received a shot through the body, which shortly after proved fatal. The rear of this work being gained by passing to its left, I gave orders for a combined attack on the enemy's camp. It was in every way brilliant and successful. The Artillery advanced at the gallop, and directed a heavy fire on the Afghan centre, whilst two of the columns of Infantry penetrated his line at the same point, and the third drove his left back from his support on the river, into the stream of which some of his Horse and Foot were forced. The Afghans made repeated attempts to check our advance by a smart fire of musquetry, and throwing forward heavy bodies of horse, which twice closely threatened the Troops under Captain Havelock, and by opening against us 3 Guns from a Battery, screened by a Garden Wall, and said to have been served under the personal superintendence of the Sirdar; but in a short time they were dislodged from every point of their position, their Cannon taken, and their Camp involved in a general conflagration. The battle was over, and the enemy in full retreat in the direction of Lughman by about 7 A. M. We have made ourselves masters of 2 Cavalry Standards, recaptured 4 Guns, lost by the Cabool and Gundamuck Forces, the restoration of which to our Government is viewed by the Force with much honest exultation, and destroyed the whole of the Enemy's Tents. In short, the defeat of Mahomud Akbar by the force which he boasted of blockading, has been, in open field, complete and signal.

The fall of an Officer so distinguished as Colonel Dennis will be felt as a public calamity. Lamenting it in every way, I must share with his country, his Regiment, and his friends, in the consolation afforded by the reflection that he was killed most gallantly performing his duty.

I have to express my entire satisfaction with the conduct on this occasion of Lieutenant Colonel Monteith, C. B., Commanding one of the Infantry Columns under my own eye, and of Captain Wilkinson, on whom the charge of the other devolved on the death of his Lieutenant Colonel. Of Captain Oldfield and Lieutenant Mayne, who led the Cavalry, and of Captains Abbott and Backhouse and Lieutenant Dawes of the Artillery. The able and judicious manner in which Captain Havelock moved the force under his command, which acted on a line so distant as to render its manœuvres independent of my immediate control, demands my particular and separate commendation. My acknowledgments are also especially due to Captain Wade, my Brigade Major, whose exertions were on this day, as they have ever been, most meritorious. To Major Frazer of the Light Cavalry, who acted as my A. D. C., and to Captain Mainwaring, Commissariat

Officer with the force, who was present in and active on the field. Captain Macgregor, Political Agent, handsomely offered his services with No. 6, Light Field Battery, and was most useful in serving the Guns.

I enclose Returns of Killed and Wounded and of Ordnance captured. Lieutenant and Adjutant Wood, of H. M. 13th Light Infantry, made a dash at one of the Enemy, and in cutting him down his charger was so severely wounded as to have been since destroyed, Captain Havelock reports in the most favorable manner, the gallant conduct of Lieutenant Cox, H. M.'s 13th Light Infantry, who was the first to seize the Enemy's Guns of the party which captured them.

I have, &c.,

FORT WILLIAM,

SECRET DEPARTMENT,

THE 28TH APRIL, 1842.

The Hon'ble the President in Council has the highest satisfaction in republishing a Notification by the Right Hon'ble the Governor General, dated Benares, the 21st instant, and the Official Despatch referred to therein, announcing the total defeat of the Afghan Troops, under Mahomed Akbar Khan, by the Garrison of Jellalabad, and in expressing his cordial concurrence in the applause bestowed by His Lordship on Major General Sir Robert Sale, K. C. B., and the Officers and Men under his Command, for this gallant achievement.

A Salute of 21 Guns will be this-day fired from the Ramparts of Fort William in honor of the occasion.

By order of the Hon'ble the President in Council,

G. A. BUSHBY,

Offg. Secy. to the Govt. of India.

NOTIFICATION.

SECRET DEPARTMENT,

BENARES,

THE 21ST APRIL, 1842.

The Governor General feels assured that every subject of the British Government will peruse with the deepest interest and satisfaction, the report he now communicates of the entire defeat of the Afghan Troops, under Mahomed Akbar Khan, by the Garrison of Jellalabad.

That illustrious Garrison, which, by its constancy in enduring privation, and by its valour in action, has

already obtained for itself the sympathy and respect of every true Soldier, has now, sallying forth from its walls, under the command of its gallant leader, Major General Sir Robert Sale, thoroughly beaten in open field an enemy of more than three times its numbers, taken the Standards of their boasted Cavalry, destroyed their Camp, and re-captured four Guns, which, under circumstances which can never again occur, had during the last winter fallen into their hands.

The Governor General cordially congratulates the army upon the return of victory to its ranks. He is convinced that there, as in all former times, it will be found, while, as at Jellalabad the European and Native Troops mutually supporting each other, and evincing equal discipline and valour, are led into action by Officers in whom they justly confide.

The Governor General directs that the substance of this Notification and of Major General Sir Robert Sale's report be carefully made known to all the Troops, and that a salute of 21 guns be fired at every principal Station of the Army.

By order of the Right Hon'ble the Governor General of India,

T. H. MADDOCK,

Secy. to the Govt. of India.

COPY.

Jullalabad, April 7th, 1842.

SIR,

Information was on the evening of the 5th instant brought into this place, in the most positive and circumstantial terms from spies in the enemy's Camp, to the effect that the Force under Major General Pollock, C. B., had met with reverse in the Khyber, and retraced its steps towards Peshawur, and

about 10 P. M. on the 6th a feu-de-joie and salute of artillery was fired by Mahumud Akbur, which was said to be in honor of the same event. It was on the same day and through similar channels announced to me that the Afghans were sending reinforcements to aid in defending the Frontier Passes. Although I could not wholly depend upon these statements, which were improbable in themselves, and accompanied by counter reports of another revolution at Cabool, which was assigned by some as the cause of the rejoicing of the defeat of the Afghans in Khyber, and by an account of the intended and even actual retreat of the Sirdar to-day; however I came, on a full consideration of the various circumstances and rumours, to the resolution of anticipating the last mentioned event by a general attack on the Afghan Camp, in the hopes of relieving this place from blockade, and facilitating General Pollock's advance. I accordingly gave directions to form three columns of Infantry. The centre consisting of H. M.'s 13th Light Infantry, 500 Rank and File under Colonel Dennie, C. B. The left of the 35th N. I., 510 Rank and File under Lieutenant Colonel Monteith, C. B. The right of a Company of the 13th Light Infantry, another of the 35th N. I. and the detachment of Sappers under Lieutenant Orr, (the severity of Captain Broadfoot's wound still rendering him non-effective) the whole 360 strong, commanded by Captain Havelock, 13th Light Infantry. These were to be supported by the fire of the guns of No. 6, Light Field Battery, under Captain Abbott, to which Captain Backhouse, Shah Shoojah's Artillery, was also attached, and by the whole of my small Cavalry force under Captain Oldfield and Lieutenant Mayne. The troops issued from the Cabul and Peshawur Gates at daylight this morning. So far from the Sirdar having made any dispositions to avoid the encounter, his whole force (not falling short in all of 6000 men) was formed in order of battle for the defence of his Camp, its right resting on a Fort, and its left on the Cabul river, and even the ruined walls within 800 yards of the place, recently repaired, were filled with Ghilzie marksmen, evidently prepared for a stout resistance. The attack was led by the Skirmishers in column, under Captain Havelock, which drove the enemy in the most satisfactory manner from the extreme left of his advanced line of walls, which it pierced at once, and proceeded to advance into the plain, whilst the central column directed its efforts against a square post, the defence of which was obstinately maintained.

With the deepest regret I have to mention that, whilst nobly leading his Regiment to the assault, Colonel Dennie, C. B., of the 13th Light Infantry, received a shot through the body, which shortly after proved fatal. The rear of this work being gained by passing to its left, I gave orders for a combined attack on the enemy's camp. It was in every way brilliant and successful. The Artillery advanced at the gallop, and directed a heavy fire on the Afghan centre, whilst two of the columns of Infantry penetrated his line at the same point, and the third drove his left back from his support on the river, into the stream of which some

of his Horse and Foot were forced. The Afghans made repeated attempts to check our advance by a smart fire of musquetry, and throwing forward heavy bodies of horse, which twice closely threatened the Troops under Captain Havelock, and by opening against us 3 Guns from a Battery, screened by a Garden Wall, and said to have been served under the personal superintendence of the Sirdar; but in a short time they were dislodged from every point of their position, their Cannon taken, and their Camp involved in a general conflagration. The battle was over, and the enemy in full retreat in the direction of Lughman by about 7 A. M. We have made ourselves masters of 2 Cavalry Standards, recaptured 4 Guns, lost by the Cabool and Gundamuck Forces, the restoration of which to our Government is viewed by the Force with much honest exultation, and destroyed the whole of the Enemy's Tents. In short, the defeat of Mahomud Akbar by the force which he boasted of blockading, has been, in open field, complete and signal.

The fall of an Officer so distinguished as Colonel Dennie will be felt as a public calamity. Lamenting it in every way, I must share with his country, his Regiment, and his friends, in the consolation afforded by the reflection that he was killed most gallantly performing his duty.

I have to express my entire satisfaction with the conduct on this occasion of Lieutenant Colonel Monteith, C. B., Commanding one of the Infantry Columns under my own eye, and of Captain Wilkinson, on whom the charge of the other devolved on the death of his Lieutenant Colonel. Of Captain Oldfield and Lieutenant Mayne, who led the Cavalry, and of Captains Abbott and Backhouse and Lieutenant Dawes of the Artillery. The able and judicious manner in which Captain Havelock moved the force under his command, which acted on a line so distant as to render its manœuvres independent of my immediate control, demands my particular and separate commendation. My acknowledgments are also especially due to Captain Wade, my Brigade Major, whose exertions were on this day, as they have ever been, most meritorious. To Major Frazer of the Light Cavalry, who acted as my A. D. C., and to Captain Mainwaring, Commissariat Officer with the force, who was present in and active on the field. Captain Macgregor, Political Agent, handsomely offered his services with No. 6, Light Field Battery, and was most useful in serving the Guns.

I enclose Returns of Killed and Wounded and of Ordnance captured. Lieutenant and Adjutant Wood, of H. M. 13th Light Infantry, made a dash at one of the Enemy, and in cutting him down his charger was so severely wounded as to have been since destroyed. Captain Havelock reports in the most favorable manner, the gallant conduct of Lieutenant Cox, H. FORT WILLIAM,

LEGISLATIVE DEPARTMENT,

THE 22D APRIL, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 22d April, 1842.

ACT No. — of 1842.

For the better Collection of Revenue from Lands within the Bombay Presidency, of which the Revenue has been alienated by the State.

I. Whereas it is expedient to authorise the grant by the Governor in Council of Bombay of Commissions to certain Jageerdars, at the discretion of the said Governor in Council, by virtue of which such Jageerdars shall possess increased powers for collecting the Revenue due to them in respect of Lands within the Bombay Presidency of which the Revenue has been alienated by the State.

It is hereby enacted, that it shall be lawful for the Governor in Council of Bombay, to grant to any Jageerdar, Surinjamdar, Inamdar, or other person holding Lands, the Revenue of which has been alienated to him by the State, a Commission conferring upon him authority for the collection of such Revenue by

the powers hereinafter mentioned, or such of them as shall be specified in the Commission in addition to the powers now exercisable by law.

II. And it is hereby enacted, that such Commission shall be granted or withheld, and, when granted, shall be liable to be withdrawn at the discretion of Government, and such Commission may, if the Governor in Council of Bombay see fit, include one or more Agents of such Jageerdar or other holder of alienated Lands as well as such holder in person.

III. And it is hereby enacted, that the holder of such Commission shall have authority to demand security for the payment of the Land Revenue, in respect of the Lands specified in the Commission, and, if the same be not furnished, to take such precaution as the Collector is authorised to take under Section XI. Regulation XVII. of 1827, Bombay Code.

IV. And it is hereby enacted, that the holder of such Commission shall have authority to send Mohussuls on Defaulters under the Provisions of Clauses 2, 3, 4, 5, Section XII. Regulation XVII. of 1827, Bombay Code, provided that one foot Mohussul only be employed in each case, and that the Mohussullee shall cease on the enforcement of any other remedy for the collection of the Revenue, except the taking of such security as aforesaid.

V. And it is hereby enacted, that the holder of any such Commission shall be authorised to attach the property of persons making default in the payment of such Revenue as aforesaid, making an immediate report to the Collector or his Assistant of his having done so, and should the demand on account of which the attachment may be made appear to the Collector or his Assistant to be just, he shall give orders for the sale of such property, and the sale shall be conducted agreeably to the Provisions of Clause VII. Section XII. Regulation XVII. of 1827, Bombay Code, except in cases in which the holder of the Commission by whom the attachment has been made shall be a Jageerdar, Surinjamdar or Inamdar, vested by Regulation XIII. of 1830, with Civil jurisdiction and with power to execute his own decrees or his Agents, when the sale shall be conducted by him, and not by the Collector and his subordinate Revenue Officers.

VI. And it is hereby enacted, that if the Revenue or rent payable by any Malgoozar or Ryot to a Jageerdar or other holder of Government alienated lands shall have been fixed by a Government Officer before the grant of the Land in Jageer, or if any Malgoozar or Ryot have paid at the same rate on account of any land for five years consecutively, or if the rent tendered by any Malgoozar or Ryot be at the usual rate payable for the Land according to the custom of the Village and Purgunna as declared by the Koolkurnee and other Local Officers of Revenue, the demand by any Jageerdar under color of this Act of an excess of rent beyond the amount due as above provided shall be deemed to be extortion, and the person against whom such demand shall have been made shall obtain upon any judgment being passed after regular or summary trial three times the amount of any such excessive demand as damages for the same. Provided, however, that nothing herein prescribed or contained shall prevent a Jageerdar or other Lakhirajdar from instituting a suit in any Court of competent jurisdiction for the purpose of establishing his claim to re-assess the Lands of any Malgoozar or Ryot who may be paying less than the full Juma to which he is justly liable, and upon the Jageerdar obtaining a decree adjudging to him such power the demand made by him under such decree, shall if conformable thereto be deemed a legal demand for arrears, and shall be leviable by the same process as is above provided for other arrears due.

VII. And it is hereby enacted, that no Jageerdar shall proceed under this Act by arrest or by distress and sale of effects for any arrear of longer standing than one year from the date of instituting such process.

VIII. And it is hereby enacted, that the holder of any such Commission as is above described shall be liable to the same penalty for an excessive demand of Revenue or rent as other Jageerdars.

IX. And it is hereby enacted, that all compulsory process under this Act shall cease on the alleged defaulter furnishing security to pay the amount which may be decreed against him with costs and interest in a Court competent to try such suits, provided that such suits in which any one of the privileged classes established by Regulation XXIX. of 1827, Sections III. and IV. and by Regulation VII. of 1830, Bombay Code, may be the defendant, shall be tried before the Collector and his Assistants. Any thing in Regulations I and XVI. of 1831, notwithstanding. And any holder of any such Commission as aforesaid by himself or his Agents proceeding with any compulsory process under this Act after the furnishing of such security as aforesaid, or after the due tender thereof shall forfeit all the Revenue sought to be recovered by such compulsory process.

LEGISLATIVE DEPARTMENT,
THE 22D APRIL, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 22d April, 1842.

ACT No. — of 1842.

For the better Collection of Revenue from Lands within the Bombay Presidency, of which the Revenue has been alienated by the State.

I. Whereas it is expedient to authorise the grant by the Governor in Council of Bombay of Commissions to certain Jageerdars, at the discretion of the said Governor in Council, by virtue of which such Jageerdars shall possess increased powers for collecting the Revenue due to them in respect of Lands within the Bombay Presidency of which the Revenue has been alienated by the State.

It is hereby enacted, that it shall be lawful for the Governor in Council of Bombay, to grant to any Jageerdar, Surinjamdar, Inamdar, or other person holding Lands, the Revenue of which has been alienated to him by the State, a Commission conferring upon him authority for the collection of such Revenue by the powers hereinafter mentioned, or such of them as shall be specified in the Commission in addition to the powers now exercisable by law.

II. And it is hereby enacted, that such Commission shall be granted or withheld, and, when granted, shall be liable to be withdrawn at the discretion of Government, and such Commission may, if the Governor in Council of Bombay see fit, include one or more Agents of such Jageerdar or other holder of alienated Lands as well as such holder in person.

III. And it is hereby enacted, that the holder of such Commission shall have authority to demand security for the payment of the Land Revenue, in respect of the Lands specified in the Commission, and, if the same be not furnished, to take such precaution as the Collector is authorised to take under Section XI. Regulation XVII. of 1827, Bombay Code.

IV. And it is hereby enacted, that the holder of such Commission shall have authority to send Mohussuls or Defaulters under the Provisions of Clauses 2, 3, 4, 5, Section XII. Regulation XVII. of 1827, Bombay Code, provided that one foot Mohussul only be employed in each case, and that the Mohussullees shall cease on the enforcement of any other remedy for the collection of the Revenue, except the taking of such security as aforesaid.

V. And it is hereby enacted, that the holder of any such Commission shall be authorised to attach the property of persons making default in the payment of

such Revenue as aforesaid, making an immediate report to the Collector or his Assistant of his having done so, and should the demand on account of which the attachment may be made appear to the Collector or his Assistant to be just, he shall give orders for the sale of such property, and the sale shall be conducted agreeably to the Provisions of Clause VII. Section XII. Regulation XVII. of 1827, Bombay Code, except in cases in which the holder of the Commission by whom the attachment has been made shall be a Jageerdar, Surinjamdar or Inamdar, vested by Regulation XIII. of 1830, with Civil jurisdiction and with power to execute his own decrees or his Agents, when the sale shall be conducted by him, and not by the Collector and his subordinate Revenue Officers.

VI. And it is hereby enacted, that if the Revenue or rent payable by any Malgoozar or Ryot to a Jageerdar or other holder of Government alienated lands shall have been fixed by a Government Officer before the grant of the Land in Jageer, or if any Malgoozar or Ryot have paid at the same rate on account of any land for five years consecutively, or if the rent tendered by any Malgoozar or Ryot be at the usual rate payable for the Land according to the custom of the Village and Pergunna as declared by the Koolkurnee and other Local Officers of Revenue, the demand by any Jageerdar under color of this Act of an excess of rent beyond the amount due as above provided shall be deemed to be extortion, and the person against whom such demand shall have been made shall obtain upon any judgment being passed after regular or summary trial three times the amount of any such excessive demand as damages for the same. Provided, however, that nothing herein prescribed or contained shall prevent a Jageerdar or other Lakhirajdar from instituting a suit in any Court of competent jurisdiction for the purpose of establishing his claim to re-assess the Lands of any Malgoozar or Ryot who may be paying less than the full Juma to which he is justly liable, and upon the Jageerdar obtaining a decree adjudging to him such power the demand made by him under such decree, shall if conformable thereto be deemed a legal demand for arrears, and shall be leviable by the same process as is above provided for other arrears due.

VII. And it is hereby enacted, that no Jageerdar shall proceed under this Act by arrest or by distraint and sale of effects for any arrear of longer standing than one year from the date of instituting such process.

VIII. And it is hereby enacted, that the holder of any such Commission as is above described shall be liable to the same penalty for an excessive demand of Revenue or rent as other Jageerdars.

IX. And it is hereby enacted, that all compulsory process under this Act shall cease on the alleged defaulter furnishing security to pay the amount which may be decreed against him with costs and interest in a Court competent to try such suits, provided that such suits in which any one of the privileged classes established by Regulation XXIX. of 1827, Sections III. and IV. and by Regulation VII. of 1830, Bombay Code, may be the defendant, shall be tried before the Collector and his Assistants. Any thing in Regulations I and XVI of 1831, notwithstanding. And any holder of any such Commission as aforesaid by himself or his Agents proceeding with any compulsory process under this Act after the furnishing of such security as aforesaid, or after the due tender thereof shall forfeit all the Revenue sought to be recovered by such compulsory process.

FRIDAY MORNING, MAY 6, 1842.

FORT WILLIAM,
POLITICAL DEPARTMENT,
5TH MAY, 1842.

The Hon'ble the President in Council is pleased to direct that the following Order by the Right Hon'ble the Governor General of India be published for general information.

G. A. BUSHBY,
Offg. Secy. to the Govt. of India.

POLITICAL DEPARTMENT,
GENERAL ORDER BY THE RIGHT HONORABLE THE GOVERNOR GENERAL
OF INDIA.

HEAD QUARTERS, ALLAHABAD,

APRIL 30TH, 1842.

The Governor General has received a report from Major General Pollock, C. B. dated the 16th instant, announcing his arrival at Jelalabad.

The Major General has thus carried into effect the orders of the Government in a manner which entitles him to the highest approbation.

Receiving the command of the Army at Peshawur under circumstances of peculiar difficulty, he has in the midst of new and unforeseen embarrassments and disappointments, preserved a firm mind, and justly relying upon his own judgment he has at last, with equal discretion and decision, accomplished the object he was directed to effect.

The Governor General requests Major Pollock to accept his acknowledgements of the good service he has thus rendered to the Government of India, and begs he will communicate to the gallant Officers and troops under his command the entire satisfaction with which their conduct has been regarded on this occasion.

The Governor General has already, in communicating the despatch from Major General Sir Robert Sale, K. C. B., dated the 7th instant, expressed his high sense of the services of that Officer and of the garrison of Jelalabad, terminating on that day by a decisive victory, which would have left nothing to desire had Colonel Dennie survived to enjoy it.

The garrison of Jelalabad having on that day achieved its safety by its own prowess, and being now reunited to the Army by the movements of the force under the command of Major General Pollock, C. B., it remains only for the Governor General to testify his opinion of the just claims of that garrison to the gratitude of the Government and of their country.

The Governor General is pleased to direct that the second company of the sixth battalion of Artillery shall bear upon its appointments, and the fifth regiment of Light Cavalry upon its standards and appointments, and the thirty-fifth regiment of Native Infantry upon its colors and appointments, a mural crown superscribed "Jelalabad," as a memorial of the fortitude, perseverance and enterprise evinced by those several corps during the blockade of Jelalabad.

The Governor General is likewise pleased, in conformity with the recommendation of his Excellency the Commander in Chief, to direct that "in order to give additional and lasting honors to the 35th Native Infantry, whilst it benefits the Service generally, that corps shall hereafter be made a Light Infantry regiment, the duties of which it is already so well acquainted with, and has performed with so much zeal and spirit."

The Governor General is further pleased to direct that a silver medal be made for every officer, non-commissioned officer, and private, European and native, who belonged to the Garrison of Jelalabad on the seventh of April, 1842, such medals to be all similar, and to bear on one side a mural crown superscribed "Jelalabad," and on the other side the words "April 7th, 1842."

The Government of India will present such medal to every officer, non-commissioned officer, and private, European and native, belonging to their service, and will request the home authorities to lay before her Majesty their most humble prayer that her Majesty will be graciously pleased to permit the Major General Commanding and the officers, non-commissioned officers, and privates in her Majesty's service, who formed part of the Garrison of Jelalabad, to receive and wear a medal similar to that which will be so presented to their brothers in arms.

The Governor General, taking into consideration the many great privations to which the troops composing the garrison of Jelalabad were exposed during the blockade of that place, and the noble fortitude with which all such privations were borne, as well as the various losses the troops sustained, is pleased to direct that a donation of six months' batta be made to all the officers, non-commissioned officers, and privates, European and native, who composed the garrison of Jelalabad on the 7th of April, 1842.

The Governor General will request his Excellency the Commander in Chief of the Army to give instructions in due time that the several corps composing the garrison of Jelalabad may, on their return to India, be received at all the stations on their route to their cantonments, by all the troops at such stations, in review order with presented arms.

By order of the Right Honorable the Governor General of India,

Signed—

T. H. MADDOCK,
*Secretary of the Govt. of India,
with the Governor General.*

And we hereby agree, that the Consignment of in question by the said ship shall be delivered into such Warehouses as your

Honourable Court may approve, and that the Goods therein comprised shall be subject to the control of your Honourable Court until the lien of the Company upon the Consignment shall have been satisfied.

In case default shall be made, either in Acceptance or in Payment of the Bills in question, we hereby expressly authorize your Honourable Court, at any period after such default (without either notice to or concurrence on the part of any person whomsoever) to sell the Goods and to repay to the Company the amount of the Advances made thereon, by retaining from the Sale Proceeds the amount of Principal and Interest due upon the Bills (should any have accrued), and of all charges: the Company, on the other hand, allowing us discount for any unexpired term the Bills may have to run at the time, or respective times, when the proceeds of the Goods shall be realized, and we consent that the balance of account whether of surplus or deficiency, if settled in India, be paid at the rate of exchange at which you may at the time be drawing Bills upon your Government there.

We hereby further authorize your Honourable Court, on payment of the Bills, to make over the Goods, subject to any of the conditions which may then attach to them, to Messrs. , our Agents, with whom we further authorize you to transact generally all business relative to these goods, and finally to settle the account relating to them.

We also engage that our Agents in England shall effect an Insurance from Fire, upon these goods, and deposit the Policies with the East-India Company, such Insurance to commence from the date of the termination of the Sea Risk: and in the event of their failing to effect such Insurance, we authorize your Honourable Court to insure the Goods, the expenses to be reimbursed to you previously to your making over the Goods or the Net proceeds thereof.

The following Clause may be added or not, at the option of the Party.

Should, however, those gentlemen fail to accept the Bills which we have drawn upon them in your favour, we authorize you, in that case, to transact all business relative to these Goods with Messrs. instead of Messrs.

and to settle with the former the account relating thereto.

We have the honour to be,

HONOURABLE SIRS,

Your most obedient servants,

G. A. BUSHBY,

LEGISLATIVE DEPARTMENT,
THE 22D APRIL, 1842.

The following Draft of a proposed Act was read in Council for the first time on the 22d April, 1842.

ACT No. — of 1842.

For the better Collection of Revenue from Lands within the Bombay Presidency, of which the Revenue has been alienated by the State.

I. Whereas it is expedient to authorise the grant by the Governor in Council of Bombay of Commissions to certain Jageerdars, at the discretion of the said Governor in Council, by virtue of which such Jageerdars shall possess increased powers for collecting the Revenue due to them in respect of Lands within the Bombay Presidency of which the Revenue has been alienated by the State.

It is hereby enacted, that it shall be lawful for the Governor in Council of Bombay, to grant to any Jageerdar, Surinjanddar, Inamdar, or other person holding Lands, the Revenue of which has been alienated to him by the State, a Commission conferring upon him authority for the collection of such Revenue by the powers hereinafter mentioned, or such of them as shall be specified in the Commission in addition to the powers now exercisable by law.

II. And it is hereby enacted, that such Commission shall be granted or withheld, and, when granted, shall be liable to be withdrawn at the discretion of Government, and such Commission may, if the Governor in Council of Bombay see fit, include one or more Agents of such Jageerdar or other holder of alienated Lands as well as such holder in person.

III. And it is hereby enacted, that the holder of such Commission shall have authority to demand security for the payment of the Land Revenue, in respect of the Lands specified in the Commission, and, if the same be not furnished, to take such precaution as the Collector is authorised to take under Section XI. Regulation XVII. of 1827, Bombay Code.

IV. And it is hereby enacted, that the holder of such Commission shall have authority to send Mohussulles on Defaulters under the Provisions of Clauses 2, 3, & 5, Section XII. Regulation XVII. of 1827, Bombay Code, provided that one foot Mohussullee only be employed in each case, and that the Mohussullee shall cease on the enforcement of any other remedy for the collection of the Revenue, except the taking of such security as aforesaid.

V. And it is hereby enacted, that the holder of any such Commission shall be authorised to attach the property of persons making default in the payment of

such Revenue as aforesaid, making an immediate report to the Collector or his Assistant of his having done so, and should the demand on account of which the attachment may be made appear to the Collector or his Assistant to be just, he shall give orders for the sale of such property, and the sale shall be conducted agreeably to the Provisions of Clause VII. Section XII. Regulation XVII. of 1827, Bombay Code, except in cases in which the holder of the Commission by whom the attachment has been made shall be a Jageerdar, Surinjanddar or Inamdar, vested by Regulation XIII. of 1830, with Civil jurisdiction and with power to execute his own decrees or his Agents, when the sale shall be conducted by him, and not by the Collector and his subordinate Revenue Officers.

VI. And it is hereby enacted, that if the Revenue or rent payable by any Malgoozar or Ryot to a Jageerdar or other holder of Government alienated lands shall have been fixed by a Government Officer before the grant of the Land in Jageer, or if any Malgoozar or Ryot have paid at the same rate on account of any land for five years consecutively, or if the rent tendered by any Malgoozar or Ryot be at the usual rate payable for the Land according to the custom of the Village and Pergunna as declared by the Koolkurnees and other Local Officers of Revenue, the demand by any Jageerdar under color of this Act of an excess of rent beyond the amount due as above provided shall be deemed to be extortion, and the person against whom such demand shall have been made shall obtain upon any judgment being passed after regular or summary trial three times the amount of any such excessive demand as damages for the same. Provided, however, that nothing herein prescribed or contained shall prevent a Jageerdar or other Lakhirajdar from instituting a suit in any Court of competent jurisdiction for the purpose of establishing his claim to re-assess the Lands of any Malgoozar or Ryot who may be paying less than the full Juma to which he is justly liable, and upon the Jageerdars obtaining a decree adjudging to him such power the demand made by him under such decree, shall if conformable thereto be deemed a legal demand for arrears, and shall be leviable by the same process as is above provided for other arrears due.

VII. And it is hereby enacted, that no Jageerdar shall proceed under this Act by arrest or by distraint and sale of effects for any arrear of longer standing than one year from the date of instituting such process.

VIII. And it is hereby enacted, that the holder of any such Commission as is above described shall be liable to the same penalty for an excessive demand of Revenue or rent as other Jageerdars.

IX. And it is hereby enacted, that all compulsory process under this Act shall cease on the alleged defaulter furnishing security to pay the amount which may be decreed against him with costs and interest in a Court competent to try such suits, provided that such suits in which any one of the privileged classes established by Regulation XXIX. of 1827, Sections III. and IV. and by Regulation VII. of 1830, Bombay Code, may be the defendant, shall be tried before the Collector and his Assistants. Any thing in Regulations I and XVI. of 1831, notwithstanding. And any holder of any such Commission as aforesaid by himself or his Agents proceeding with any compulsory process under this Act after the furnishing of such security as aforesaid, or after the due tender thereof shall forfeit all the Revenue sought to be recovered by such compulsory process.

Ordered, that the Draft now read, be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 22d day of July next.

No. 496.

FORT WILLIAM,
JUDICIAL AND REVENUE DEPARTMENT,
THE 18TH APRIL, 1842.

Read a Letter from the Register of the Sudder Dewanny Adawlut, (No. 1104 of the 26th ultimo) submitting the results of the Examinations held in January last, by the several Committees for the examination of Candidates for Moonshiffsips.

Judicial Dept. } 1. The Honorable the Deputy
Resolution. } Governor of Bengal observes that the thanks of Government are due to the Members of the several Committees for the care with which they have conducted the duties of the Examinations, and to the Presidency Committee Government is especially indebted, not only for the zeal and ability which has characterized its proceedings, but also for the many valuable suggestions and remarks contained in the Report submitted by its Members.

2. The Deputy Governor will first remark upon the results of the several Examinations, after which His Honor will proceed to notice such other parts of the documents before him as may appear to require comment.

Presidency Committee.

3. Seventy-five Candidates were admitted to examination—of whom 14 were remanded to be re-examined after the expiration of a year and 36 after a period of six months. The remainder (25) were admitted to the oral examination—6 of these were considered deficient and were consequently remanded for a period of six months—to 18, Diplomas of fitness were granted, and the case of one individual, otherwise qualified, was suspended for the orders of the Sudder Court, owing to it having been discovered that he had once been criminally convicted.

4. The names of the successful Candidates are as follow :

Gooroodass Sein.
Mahomed Monniam.
Kylass Day.
Nobinchunder Mitter.
Essanchunder Dutt.
Raminarrain Roy.
Rajmohun Mitter.
Poornochund Mitter.
Doorgapershad Roy.
Juggonathpershad Bannerjee.
Monumohun Baboo.
Faqueerchund Singh.
Golam Batool Tumkin.
Syed Itruth Hossein.
Jummeeruddeen Ahmed.
Peareemohun Bannerjee.
Syud Fuzzul Ruhoma.
Rakaldoss Chowdrie.

Dacca Committee.

5. Of eleven Candidates who were admitted to examination none were faultless, but it appears that two,

Ubhoy Comar Dutt,
Gopee Mohun Roy,

evinced such qualifications as to induce the Committee to recommend them specially for Diplomas, a measure in which the Presidency Committee concurred.

Patna Committee.

6. Fourteen Candidates were examined and Diplomas were granted to the following individuals, viz.

Khyrat Hossein,
Furhut Ali,
Rajchunder Chuckerbutty
and
Ulee Uzeem.

7. Five Candidates were directed to appear for re-examination in July next, and the remaining 5 Candidates,

Mahomed Zynool Abdeen,
Sheikh Azhur Ali,
Muhee Ooddeen,
Fakcer Hossein,
and
Mr. Almeida,

were, on the special recommendation of the Committee, admitted to Diplomas by the Presidency Committee.

Moorshedabad Committee.

8. Six Candidates were examined and a Diploma was granted to

Sreekunt Sing,

four others of the Candidates were recommended by the Committee for Diplomas, but it appears that the Presidency Committee did not see reason to comply with the recommendation.

9. The result then is, that at the Examinations held in January last, by the several Committees, 30 young men have been declared competent to enter

the Judicial service of Government, and His Honor has much pleasure in observing that out of the number of Candidates who have hitherto received Diplomas, 31 have already been appointed to Moonsifships, exclusive of others who have been temporarily provided, for it is gratifying to observe too, that, as far as the recentness of these appointments will admit of a judgment being formed on the subject, the nominees appear to have given satisfaction to their superiors.

10. With respect to the individual from whom a Diploma was withheld by the Presidency Committee, the Deputy Governor has only to observe that he perfectly concurs with the Committee and the Court that it is of the highest importance that Diplomas be granted to none whose characters are not without stain—and His Honor quite approves of the Presidency Committee's suggestions for amending the present system of granting Certificates to Candidates for Examination, viz.

11. That notice be given to the Sudder Court by the several Judges of the number of Candidates whose names are registered for examination—and, in order that the Judges may be enabled to state correctly the number of Candidates to the Court, that no Certificates be granted within a less period than one month previous to the assembly of the Committees.

12. That the restriction which now prevents the Judges of Patna, Moorshedabad, Dacca and the 24-Pergunnahs from granting Certificates to Candidates for examination be withdrawn, and that no Judges grant Certificates to any individuals who may not reside, or be employed in their respective Districts, and also that all Certificates shall bear on the face of them the result of the Judges' enquiries into the character and respectability of the Candidates, together with any particulars relative to their family and connexions, as may seem worthy of notice.

13. That the Chief Magistrate of Calcutta may, under similar Rules and according to the manner in which such Certificates are granted by the several Zillah Judges, grant Certificates for examination to persons, inhabitants of, or employed in Calcutta.

14. And that the Principals of the several Schools and Colleges under the control of the Council of Education be also in like manner authorized to grant similar Certificates to bona fide Students of their respective Schools or Colleges, such Certificates to be countersigned by the Judge of the Zillah in which the School or College may be situate, after that Officer shall have satisfied himself that the Candidate is a fit person to be admitted to examination according to the Rules now in force.

15. The Deputy Governor approves of the Court's proposal that the Local Judges be instructed to mention in the Certificates which they grant the number of times which the Candidate has already been examined and that the Sudder Court decide with reference thereto whether they will admit the Candidate to re-examination. His Honor also agrees with the Court that no Candidates under the age of 21 be eligible to examination, and he is pleased to direct that individuals whose names are at the head of the list of Candidates who have received Diplomas, shall, on refusal to proceed to any station to which they may be appointed, have their names placed at the bottom of the list and wait their turn accordingly.

16. With a view to additional publicity and convenience, the Examinations of the Presidency Committee may in future, as recommended by the Committee, be held at the Town Hall, Calcutta.

Resolved, that the foregoing observations be published in the several Government Gazettes, and that a copy hereof be forwarded to the Court of Sudder Dewanny Adawlut, with a view to the necessary instructions being issued upon His Honor's orders.

Collector of Govt. Customs.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale, unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.
